### **Title**

Albert H. Schroeder collection

### **Dates**

1949-1969

### **Extent**

11 cm textual material, 36 maps, 13 photographic images (13 prints)

### **Biographical History**

Albert H. Schroeder was born in 1914 in Brooklyn, N.Y. As an undergraduate at the University of Arizona, he began his career in archaeology. He worked for a time as an assistant archaeologist for the National Museum in New Mexico and for the U.S. Forrest service as a ranger and naturalist. Eventually, he settled in Santa Fe where he worked as an archaeologist. In 1979 he became the president of the Historical Society of New Mexico. Throughout his career Schroeder was a prolific author and editor of works on Southwestern archaeology.

### **Scope and Content**

Collection contains some 28 manuscripts of books, articles, book reviews and lectures written by Albert H. Schroeder, 36 maps and illustrations, 13 site photographs, and a small amount of biographical information.

### **System of Arrangement**

The collection is arranged in the following series:

Series 1: Manuscripts

Series 2: Maps

Series 3: Site Photographs

Series 4: Biographical Information

### **Conditions Governing Reproduction and Use**

Unpublished and published manuscripts are protected by copyright. Permission to publish, quote, or reproduce must be secured from the repository and the copyright holder.

### **Immediate Source of Acquisition**

Collection donated by Albert Schroeder in 1969 (Accession #MS-139)

## MS-139

### Title

Series 2: Maps

### Dates

1960-1968

### Extent

36 maps

### Scope and Content

All items in the Site Maps file are all associated with an NA site number (1273, 1274, 2806, 4605, 4607-4609, 4611, 4613, 4616-4617, 4621-4622, 4626-4630, 4638, 4640, 4645). There are eight maps and one illustration of petroglyphs.

The general report maps include 27 maps that appear to be associated with specific Schroeder publications, including articles written for *American Antiquity* (1965, 1966) and *New Mexico Historical Review* (1968). Maps show mostly prehistoric distribution and migration of various cultural groups in Arizona and New Mexico.
