

Count & Compare

Count how many of each are in the museum:

Claws

Hint: Geology gallery

Volcanic rocks

Hint: Geology gallery

Ears of corn

Hint: Archaeology gallery & Native Peoples

Potsherds (broken pottery)

Hint: Archaeology & Babbitt

Gourds

Hint: Archaeology & Native Peoples

Ants crawling on the wall

Hint: Discovery Room

Find the:

Biggest bone

Hint: Geology gallery

(How tall is the bone compared to you?)

Lightest rock

Hint: Geology gallery

(Why do you think it weighs so little?)

Smallest pot

Hint: Babbitt gallery

(Can you find a big pot that matches the small one?)
