

The Museum of Northern Arizona welcomes interns. If you are interested in pursuing an unpaid internship with us, please follow the instructions below.

Reach out to a [department director](#) and/or [human resources](#) the semester before your desired start date. Include the following details in your message:

- Your college/university
- Your program of study
- Name and contact information of your faculty advisor or internship coordinator
- Whether the internship is for academic credit
- Your preferred start and end dates
- The specific interests or skills you would like to focus on during your internship

Speak to your faculty advisor to find out what paperwork is needed. If the internship needs to be posted on your program's site, please provide a contact person or a link to your program's instructions for setting up an internship.

Have questions, please contact our human resources department at 928-774-5211, ext. 203 or employment@musnaz.org.

Thank you for your interest in the Museum of Northern Arizona.
